Game mechanics and leveling

During their Odyssey's journey, Explorers (Players) will be able to earn leaderboard points: EXP Points and Game Points, and numerous rewards by answering the question modules during the season and by logging in every day.

TEAMS ODYSSEY

A journey to discover Teams use case scenarios

Each week, an Explorer can answer a maximum of 45 questions in the 5 modules available. To accumulate as many points as possible and climb to the top of the leaderboards, Explorers are invited to explore the game and answer all the questions!

Achievements by level

To find out at which level to start your Odyssey, refer to the expected outcomes below:

Beginner : I don't use Teams a lot. I mostly communicate by email. I only use the conversation part to chat with my colleagues. I participate in Teams meetings. I use Teams on a cell phone.

Intermediate : I use Microsoft Teams from time to time. I use Teams for quick exchanges with my colleagues. I am part of a team and I participate everyday. I organize Teams meetings. I share files on Teams. I use Teams on a cell phone.

Advanced : I use Microsoft Teams every day. I mainly communicate on Teams. I create and lead my teams using connectors and the implementation of team rules. I organize Teams meetings and I encourage participants to use the meeting features (recording, raising hand, sharing notes, etc.). I share files on Teams. I use Teams on a cell phone. I help my colleagues to use Teams.

Daily rewards

By logging in every day of the week, from Monday to Friday, **(the game is not available on weekends)**, the Explorer will be able to collect the daily rewards. A bonus reward is distributed only once during the first connection of the day. The bonus rewards are divided into 5-day cycles and the rewards become more interesting according to the progress of the season.

Please note that Day 1 corresponds to the Explorer's first day of connection to the game. It does not matter whether the Explorer connects for the first time on a Tuesday or a Thursday, he or she will receive the bonus of Day 1.

Day of connection	Daily reward
Day 1	 +50 bonus EXP Points
Day 2	 +5 Game Points
Day 3	 +150 bonus EXP Points
